

MARITIME ARCHAEOLOGICAL AND HISTORICAL SOCIETY

Introductory Course in Underwater Archaeology

Would you like to dive with MAHS to conduct research on historic shipwrecks and help preserve our national maritime heritage? Then this course is for you.

The Maritime Archaeological and Historical Society (MAHS) is accepting applications for its annual Introductory Course in Underwater Archaeology starting Tuesday January 30, 2018.

The course consists of nine evening classes (7:30 to 9:30 pm) on Tuesday nights plus one pool session. Classes are held at McLean High School, Media Center, 1633 Davidson Road, McLean, VA. The course is open to all interested persons whether a certified diver or not. Cost is \$175.

Once you have completed the course, if you are a certified scuba diver you will be eligible to sign up for the MAHS Field School where you will participate with other students in surveying a shipwreck or other underwater site. Then you can volunteer to assist MAHS on future projects.

CLASS SYLLABUS and SCHEDULE — see web site for updates: <http://www.mahsnet.org/introclass.php>
